

Christian Center was born in answer to prayer when a group of earnest Christians were fervently seeking God's will as they were brought together by the compelling leadership of the Holy Spirit.

On Sunday, August 31, 1980 at four o'clock in the afternoon, our first service was held on the beautiful campus of Louisiana State University in Shreveport and Christian Center became a reality!

Our founding pastor Nolan Logan carried great vision in his heart, and when a group of believers responded to that vision, the ministry began to fulfill its mandate in our region.

In May 1981, God provided a miracle and the Christian Center Body purchased property at our present location on Idema Street. Construction began and we moved into our present building in the spring of 1983.

Christian Center has now been a mainstay in the community since 1980 and the vision continues to burn to help lead the advancement of the Kingdom of God in our city, region and the nations of the earth.

In 1996 after the retirement of Pastor Logan, the ministry asked the then Youth Pastors Tim and Susan Carscadden to lead Christian Center into the next phase of its development.

Since 1996, the ministry has been on an incredible journey and has grown in its purpose and vision for the Kingdom of God. Immediately the Holy Spirit thrust the ministry into the renewal movement and the ministry began to grow into its new image in the community.

Since that time many ministries have been added and outreach to Israel and the nations has increased by leaps and bounds. We also have become involved in the governmental arena, as we have partnered with ministries to the political offices that are affecting the leading of our State and Nation. Our call to prayer has lead the ministry to pray for our leaders and believe for an Awakening in the United States.

In the Fall of 2006, we launched our Crowns Of Life Training School (COLTS) and have trained many in the region to do the work of the ministry. COLTS has grown greatly through the years and we have been blessed to equip saints in the Prophetic and School of the Supernatural. We also have added our inner healing ministry with the Father's Embrace course and have seen tremendous fruit as people are being healed by the Love of our Father.

Christian Center has always and will continue to be a voice in our community for the prophetic purpose of our area. We have a passion to sow into God's purposes in the earth and we long to labor with other ministries to see the Kingdom of God be done on earth as it is in Heaven!
